

ACU Missions: Pre-health & Nursing trip to Guatemala

Lives are forever changed when one person shares Christ's love with another.

Change can happen in an instant, perhaps through an embrace or a prayer or medical assistance.

And it isn't one-sided; the person showing love often is changed along with the person receiving love.

Abilene Christian University students both ignite and experience this change every year through missions and service, entering communities large and small to lovingly care for those in need and share the Good News. Lives are being changed through ACU missions, and we invite you to support this work and help students continue to be the hands and feet of Jesus in this world.

ACU pre-Health and nursing students will travel to Chichi, Guatemala, to work with Health Talents International. The team will assist medical professionals conducting village clinics.

Will you support ACU students and in turn change lives with a gift to ACU missions today? You can make your gift securely online at acu.edu/s103 or by using the form below. (Please return this entire page, with the completed form, to the address listed.) All gifts to ACU missions are tax deductible.

Thank you for believing in ACU's students as they learn to be Christ-centered, global leaders who will change the world.

Name _____

Address _____
