JUL. 26 - AUG. 1, 2023
with optional WINNIPEG PRE-TOUR
Dear Alumni and Friends,

Please join fellow alumni and friends for a special opportunity to witness the diverse wildlife and pioneering spirit of the Canadian Arctic in summer.

On this seven-day journey, discover the beauty and magnitude of Churchill, Manitoba—a remote town on the banks of the Hudson Bay renown for hosting polar bears and beluga whales.

When people think of whale watching excursions, they envision fleeting glimpses of magnificent creatures off in the distance. On this journey, guests are delighted to get amazingly close to a multitude of friendly and vocal beluga whales while exploring the Hudson Bay by flat-bottomed boat or skiff. During the summer, these curious mammals are often found in warm-water estuaries and river basins, making this an ideal place to see them.

Also during summer, polar bears can sometimes be spotted lazily roaming for food on land and along the shoreline, conserving their energy during the warmer months while waiting for the ice to form again.

The expert guidance of an Orbridge Expedition Leader and a local naturalist, plus exclusive educational experiences—including presentations from Assiniboine Park Zoo and Churchill’s Northern Studies Centre—distinguish this program.

Space is limited. With significant savings of more than $1,000 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

Please reserve online at wsu.orbridge.com, by calling (866) 639-0079 or by returning the enclosed reservation form.

Best regards,

Guests will receive a daily itinerary, which will be flexible and updated frequently. The itinerary below is a general listing of activities and excursions that may happen during any part of the program.
Your Accommodations

FORT GARRY HOTEL & SPA
After an exciting day of exploration, retire to this landmark property in the heart of downtown Winnipeg, featuring high-tech amenities and a modern mix of contemporary style and Old World elegance.

LAZY BEAR LODGE
A log builder in a previous career, Wally Daudrich built the Lazy Bear Lodge himself, literally. Drawn to the area by its sense of freedom, Wally and a partner dragged fire-killed logs from the forest by snowmobile, crafting them first into a small café, then a small lodge, and finally the two-story, 15,000-square-foot, modern Lazy Bear Lodge of today.
Experience the warm hospitality of Wally and his staff, and dine on fabulous northern cuisine. You can see the gnarled and knotted log timbers from the northern Boreal forest used to make both the lodge and the furniture. It’s the perfect combination of remote northern living with all the cozy comforts and conveniences travelers desire.

GRAND WINNIPEG AIRPORT HOTEL
Located next to the Winnipeg airport terminal, this boutique property provides beautifully appointed accommodations and thoughtful amenities. The hotel’s restaurant, Blue Marble, uses locally produced ingredients to create an unforgettable dining experience.

Your Orbridge Expedition Leader:
The company and keen eyes of an expert Orbridge Expedition Leader will make all the difference in your educational experience. Enriched by their wealth of expertise, you’ll bring home a deeper understanding of the flora, fauna, natural history, and cultural narrative of the diverse Canadian Arctic.
The Sam Hearne
An expedition vessel ideal for spotting wildlife.

Designed after a WWII landing craft, this 23-passenger flat-bottomed water vessel is perfect for your day-long journey onto Hudson Bay and possible close encounters with polar bears along the rocky shorelines. This former landing craft has plenty of seating, on-board facilities with flush toilet, and the ability to get in very close to shore. Captained by Lazy Bear Lodge owner Wally Daudrich, it is the only licensed boat of its kind with this special access.

Cruise along the coast of the Hudson Bay to places such as Seal River and Button Bay, a favorite gathering spot for polar bears.

Come aboard and join your naturalist guide for an amazing day of discovery in this remote and fascinating place.

The Arctic Crawler™
A rugged all-terrain vehicle.

Get up-close access to the wildlife of the tundra aboard this specially designed trekking vehicle. The Arctic Crawler™ features comfortable seating, on-board facilities with flush toilet, large windows that lower for better viewing, and a spacious, fully grated outside rear deck for optimal photography opportunities. With the expertise of the driver and your Orbridge Expedition Leader, you will witness all the stunning natural beauty and diverse wildlife the tundra has to offer.
Enjoy additional days in Winnipeg to experience a multiple award-winning exhibit at Assiniboine Park Zoo featuring nine playful polar bears and a host of arctic animals, and a visit to Winnipeg’s architectural marvel—the Canadian Museum for Human Rights.
